Dear Hiring Manager,

Regarding the Part-time Computer Coding Instructor position currently advertised on costi.org, please find attached a copy of my resume for your consideration.

Having worked within the education industry about elementary and high school for over 18 years, interpersonal and strong communication skills make me fit the teacher in this position. I have developed a wide range of skills that would meet, and exceed the expectations for the role. I am experienced about front-end development with HTML 5, CSS3 and JavaScript languages. I am also experienced in game-based learning techniques. As a senior student at George Brown College, I've gained excellent knowledge about coding languages such as Python, C#, Java and improved my qualifications.

Thank you for your time and consideration. Bringing this level of success to your company would be mutually beneficial for us. If you would like to get in touch to discuss my application and to arrange an interview via (437) 988-1974 or resul.yuksektepe@georgebrown.ca.

I look forward to hearing from you soon.

Respectfully yours,

Resul Yuksektepe
